SUBJECT: Office of Technical Service Briefing

George,

In the light of your new assignment, and the fact that my office runs its largest regional base [REDACTED] I think it would be useful to you some-time before you leave to get a briefing on OTS and [REDACTED] in particular. If it is not too inconvenient to you, I would suggest coming to South Building for at least one hour, and hopefully longer, at a time of your choosing. We would propose to put on a bit of a dog-and-pony show, show you some of our goodies, and have you meet [REDACTED] [REDACTED], who is going out this summer to be Chief of the [REDACTED] facility.
